Good Reasons to Join Sata

Better Pay

Sata helps people at work by negotiating better pay and conditions. Every year Sata negotiates improvements to pay and conditions for thousands of members.

Safer Workplace

Research shows that workplaces with unions have far fewer accidents. With a large number of Health and Safety Reps, Sata makes sure that your safety at work is always a priority.

Better Conditions

Holiday entitlement, good pension provision and arrangements for time off work are just some of the things Sata can improve. By negotiating with employers, Sata is able to make your life at work better.

Advice and Support

The Union's workplace reps advise and support you at work and are backed up by highly trained Union Officials. Specialists in pensions, health and safety, rights at work, wages and employment law are all on hand to help.

The Union is Your Voice

Sata gives you a strong voice at work. Without a union, you are less likely to have a say in your terms and conditions and how your employer operates.

Fairness at Work

Union workplaces are fairer workplaces and are much more likely to have family-friendly policies. By negotiating with employers, unions are able to secure better deals for members on issues such as flexible working arrangements and general support for family responsibilities, such as caring. In short, unions help you achieve a work-life balance without being penalised for it.

Job Security and Protection at Work

Sata works to protect jobs and deliver job security for members. Without a union, you are on your own if faced with change at work or redundancy.

By ensuring that Union members have strong and effective representation, Sata is able to protect people at work and help resolve issues before they become major problems. Sata ensures that members are aware of their rights in the workplace.

Legal and Accident Cover

The Union's legal service wins millions in compensation each year for members and their families. As a Union member, the legal service is entirely free – you don't pay a penny. No one plans to have an accident, but if you do, the Union will help you with your claim for compensation for any accident, anywhere and if you win your case you keep 100% of the compensation. The Union will also provide you with free legal advice on any issue.

Member Offers and Discounts

The Union works with all of its affinity partners to get you and your family the best deals available on everything from theme parks, to home, car and travel insurance, to great discounts on holidays and cars.
