

Free Will Writing Service For Usdaw Members and Their Partners

Usdaw Free Will Writing Service for Members and Their Partners

We will put you in contact with one of our Solicitors who will assist you in making a Will, either through an online service or via post/email.

If you do not make a Will, the law dictates who will inherit your estate.

The free Will service covers you for a basic Will for you and your partner. If, however, you require a more complex will, the solicitors will make you aware of any applicable charges. These will be at a discounted rate under your Usdaw membership.

Use Usdaw's free Will writing service to make sure your wishes are followed and to give you peace of mind.

In your Will you can:

- Leave your estate to anyone you wish. This will normally be family members with a named substitute should they die before you.
- Leave gifts to any individual or to a charity.
- Choose your executors to administer your estate.
- Appoint guardians for your infant children to look after their interests until they turn 18.
- In appropriate cases, set up a trust which will allow infant children access to funds before they reach 18.
