Are You An Usdaw Rep Looking For Inspiration?

Why Not Hold a 'PAD in a BAG' Campaign?

Pensions affect all of us sooner or later – and if you are not in a pension scheme you are potentially losing out on free money from your employer.

Did you know the Usdaw Pension Section provides all members with a free guidance service?

If you are unable to carry out a traditional campaign by setting up a stall in your workplace, why not try our Pensions Awareness Day (PAD) in a BAG campaign by handing out our guides, fact sheets and merchandise in our "Puzzled By Pensions" campaign bags?

The campaign is also proving a hit with reps who look after smaller stores.
