

# ♥ UNIONS

**HeartUnions is a celebration of the valued work that our reps do and a campaign to highlight how important unions are in helping working people.**

Trade unions have never been more important, and Usdaw's free pension guidance service is just one of the great benefits we can offer to help and support members – because after all, everyone will need an income when they retire.

Speak to your Usdaw rep today to see how easy it is to become a member and find out more about how our Union can help you.
