

At least one in five people is thought to be neurodivergent.

Neurodivergent people and parents and carers of neurodivergent family members face barriers getting into paid work and to receiving the right support when in work.

Will you support Usdaw's campaign to raise awareness of neurodiversity and the benefits neurodivergent people, their parents and carers bring to the workplace?

U USDAW

MINDS

Supporting Parents and Carers Spotlight Day

#EveryMindMatters

Will you support Usdaw's campaign to:

- Raise awareness of, and celebrate, neurodiversity.
- Encourage open conversations about neurodiversity in the workplace.
- Work with employers to create welcoming and inclusive
 workplaces for neurodivergent people, parents and carers.

For more information about the campaign visit www.usdaw.org.uk/spc
