Politics affects every aspect of our **DAILY LIVES...**

Trade unions like Usdaw need their **POLITICAL FUNDS**...

10p from your subs

They allow us to lobby politicians and run campaigns to improve the working rights and home lives of **MEMBERS LIKE YOU**.

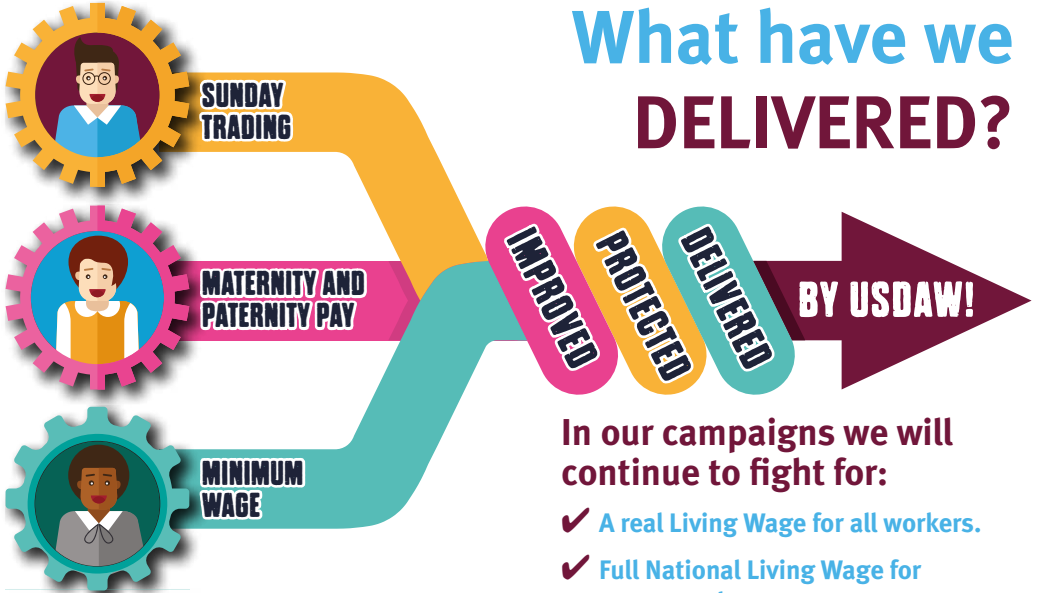

It's not about which party YOU SUPPORT...

It's about campaigning on
issues that matter to
USDAW MEMBERS.

What have we DELIVERED?

In our campaigns we will continue to fight for:

- ✓ A real Living Wage for all workers.
- ✓ Full National Living Wage for young workers.
- ✓ Protecting Sunday Trading.
- ✓ Tackling in-work and child poverty.

Usdaw members have voted to support the Labour Party because many of Labour's values match our own:

Supporting
low paid
workers

Supporting
the
NHS

Dignity
for
disabled
people

Affordable
housing
for all

Equality
in the
workplace

However, Usdaw members from all political persuasions are part of the Political Fund to help deliver better working conditions for all members.

It doesn't **COST** a lot ...

A little bit from everyone will help
Usdaw to achieve its political
goals for **MEMBERS LIKE YOU...**
